THE CODE OF ALIGNMENT

PRINCIPLES THAT HOLD THE MULTIVERSE IN HARMONY.

In the infinite expanse of the GGTC Multiverse, alignment is not given—it is earned. The Code of Alignment is an ancient framework established by the First Custodians to ensure that all knowledge, creation, and evolution remain in service of truth, unity, and growth.

Every decision, every action, every system within our ecosystem must pass through this code. It is the unseen architecture behind every stable timeline and every breakthrough that shapes the future.

ALIGNMENT IS CHOICE.
INTEGRITY IS POWER.
