LORE ENTRY #004

THE GUARDIANS OF TIMELINES

PROTECTORS BETWEEN ENTROPY AND CREATION.

When chaos rises and timelines fracture, The Guardians stand between collapse and continuity. They do not control time—they defend its integrity.

Forged in ancient light and bound by the Code of Alignment, these elite Custodians travel across shattered realms, restoring balance, preserving knowledge, and shielding emergent civilizations from erasure.

They are not conquerors. They are stewards.
They do not seek power.
They uphold purpose.

THEY ARE THE WALL BETWEEN
WHAT WAS... AND WHAT WILL BE.

LORE INSIGHT

Guardians operate beyond individual timelines. They observe, intervene, and restore using seven core tenets.

- ◆ Continuity Before Power
- ◆ Integrity Before Influence
- ◆ Protection Before Participation
- ◆ Truth Before Intervention
- ◆ Creation Before Control
- ◆ Knowledge Before Action
- ◆ Unity Before Legacy
